

Going beyond with your heart's calling; integrating and contributing. Write your calling here, then complete the map below.

<p>'I' (Who?)</p> <p>Internal-individual; your thoughts, feelings, meanings, values, passions, skills, your wishes and what for?</p>	<p>It (How?)</p> <p>External-individual: what you do - the nitty gritty of your behaviour. Activating the calling of your heart.</p>
<p>We (Who else?)</p> <p>Internal-collective: a collective that has a culture of shared meaning, values and expectations.</p> <p>Why? How? Can be colleagues, networking, also your clients. Those in the collective need not know each other.</p>	<p>What for (How?)</p> <p>External-collective: The wider, even global systems or movements to which you are adding and contributing. These can be specific and/or informal but meaningful.</p>
